

Kineton Neighbourhood Watch

Seen and Heard

KINETON NEIGHBOURHOOD WATCH (KNHW) is growing and ideas are flowing; this gem from resident 'Mac';

"Its 14:50 and I've just had a caller, male white, 5' 10", navy top, woollen 'Beckham' - type hat, with a navy haversack and some sort of ID in a clear plastic container, selling stuff.

I never open the door to these folk but go out of the back gate to talk to them in the street. I told him that I wouldn't go round trying to sell stuff door to door if I was him, as we had a very strong Neighbourhood Watch team here, and people were being particularly watchful because we had suffered a lot of break-ins and doorstep intimidation lately.

While maintaining my usual friendly expression I pointed out that I was not being unfriendly or aggressive, but he was wasting his time around here and he would only get himself a bad name, and people would remember him, added to which he would be reported six times today before he got very far".
